## Garfield's BooClips - The Pet Force

Now Available for the Android, iPad, PC and Mac - via [www.BooClips.com](http://www.BooClips.com)

The only book platform that combines videos inside an interactive book - Watch the best 3D Garfield Videos - on the iPad!

Garfield's BooClips app is a stunning digital children's book application that narrates Garfield's Pet Force storybook while using rich multimedia, video clips, vivid animations and music from the original movie.

The BooClips™ have become the new way to read books, offering a variety of fantastic features such as word for word narration, voiceover recording, 3D interface, touch capabilities, sign language interpretation, translation to different languages, easy navigation between pages, an animated magnifying glass, a dynamic bookmark that remembers where the reading was stopped for the next time the app is running, and other features easily accessible with the touch of a finger.

Nothing in the world can make Garfield get involved in anything besides eating, until the muscular super cat Garzooka comes crashing into Cartoon World from the Comic Book universe with terrifying news. Garfield summons up the willpower to join his superhero Garzooka in a fight to save their worlds.

Castle Builders keeps up with its contribution to the community by providing an optional American Sign Language interpretation in every part of the narration throughout the BooClip. With an Eco-friendly product, greener than ever, the app offers realistic animated page flip and every book attribute that you can think of, without the use of actual paper.

The Garfield's Pet Force movie was produced with stunning CGI 3D animation and visual effects....
